Organized by the Visual Arts Committee of Arts on the Lake to benefit the Art Center, this blockbuster annual fundraiser features a Silent Auction, Wine, Beverages, Square Desserts, Music and Dancing.

Visual art work may be done on one or both sides of a 6x6 inch foam square, or you may use other materials attached to the square if you wish. However, the piece must also start with the 6x6 inch square dimensions. The squares may be extended from any side or surface, but the modifications must not exceed 3 inches in total from the original size of the square. Works will be exhibited according to the needs of each piece. For example, two-sided creations will be hung from the ceiling.

Squares are available at Arts on the Lake for \$10 each or 3 for \$25.
